- To improve the Service, and plan and develop new services.
- To research and analyse the Service usage, or create and publicise its statistical data.
- To detect the Users who are violating the terms of use etc. regarding the Service, or respond to violators against terms of use etc.
- To investigate, detect, prevent the occurrence of, or respond to, wrongdoings such as fraud or unauthorised access using the Service.
- To manage the Personal Data and ensure the data security.
- To resolve problems in using and operating the Services

3. Provision of Personal Data

We may share the Personal Data with third-party vendors, warehouse companies, service providers, or agents ("third parties") who perform services for us or on our behalf and require access to such information to do that work. The third parties we may share the Personal Data.

We also may need to share the Personal Data in the following situations:

- We may share or transfer the Personal Data in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- We may share the Personal Data with our affiliates, in which case we will require those affiliates to honor this privacy notice. Affiliates include our parent company and any subsidiaries, joint venture partners, or other companies that we control or that are under common control with us.
- We may share the Personal Data with our business partners to offer the Users certain products, services, or promotions.

4. Retention period

We will only keep the Personal Data for as long as it is necessary for the purposes set out in this privacy notice, unless a longer retention period is required or permitted by law (such as tax, accounting, or other legal requirements).

When we have no ongoing legitimate business need to process the Personal Data, we will either delete or anonymize such information.

5. Security

Our Company handles the Personal Data properly in compliance with this Privacy Policy. In order to handle the Personal Data properly, Our Company will implement organisational, human, physical and technical security management measures.

6. Use of IP addresses

When the Users visit our Websites, the hosting provider(s) of our Websites may automatically collect and store various information in server log files that a browser transmits to us.

Furthermore, the IP addresses may be evaluated, together with other data, in case of attacks on the network infrastructure or other unauthorised use or misuse of the Websites, for the purpose of intelligence and protection, and if appropriate, used in criminal proceedings for identification and civil and criminal proceedings against the relevant the Users.

7. Controls for Do-Not-Track features

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected.

At this stage no uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online.

If a standard for online tracking is adopted that we must follow in the future, we will inform the Users about that practice in a revised version of this privacy notice.

8. Updating Personal Data

All the Personal Data that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such the Personal Data.

Based on the applicable laws of your country, you may have the right to request access to the personal Data we collect from you, change that information, or delete it.

To request to review, update, or delete the Personal Data, please email us at support@kinka-gold.com.

9. Revision of Privacy Policy

We may update this privacy notice from time to time. The updated version will be indicated by an updated "Revised" date and the updated version will be effective as soon as it is accessible.

We encourage you to review this privacy notice frequently to be informed of how we are protecting the Personal Data.
